

NOTICE TO ALL COLLEGE STUDENTS, PARENTS AND STAFF REGARDING COVID-19 ARRANGEMENTS:

Dear all,

I know many of you will have been following the news closely at the moment, and will have seen yesterday's announcement from Government regarding schools and colleges.

We are in the process of working through what this means for all of us, and will come out to you as soon as we can with answers. We will be working closely with awarding bodies to ensure you are not disadvantaged and will provide you with more detail as to what that means for individuals as soon as we can. In the meantime, please continue as set out in my last message (<https://www.liv-coll.ac.uk/Principal's%20Briefing%2018.03.pdf>) – it's important that you continue to engage with your studies in order to support your next steps, whatever that may look like.

The College is committed to doing the right thing by our students and will continue to support you over the coming days.

We will update you again as soon as we know more.

Best wishes,

Elaine
