Carers Trust

<https://carers.org/about-caring/about-young-carers>

Carers Trust helps young carers to cope with their caring role through specialised services delivered by Carers Trust Network Partners across the UK. Young carer services offer a range of early intervention and prevention support to young people with caring responsibilities.

The Children's Charity

Our include service helps young carers, families and those who work with young carers. We want you to be healthy, happy and focused on the future. We know caring for someone can be difficult but you need to make time for yourself as well.

We can help you understand your rights as a young carer, introduce you to other young carers, advise you on different ways into education and employment.
